<https://www.asetek.com/simsports/support/>

2. Product

2.1 Warranty

Asetek SimSports® offers 24 Months warranty on all products.

2.2 Warnings and guidelines for safe assembly and usage

- WARNING: Choking Hazard – Small parts. Not for children under 3 years.
- Some of the parts are heavy; proceed with caution.
- Do not use power tools to assemble the rig to avoid damaging the parts or overtightening the screws.
- Due to the nature of steel, some metal shavings may remain even after quality assurance. We advise you to unpack the boxes on a hard floor and inspect the product before assembly. In case metal shavings are present, use protective gloves and safety glasses during removal. We recommend using a vacuum or damp cloth to collect and dispose of the shavings.
- Assembly of the rig is allowed only by an instructed person who understands and follows the above safety instructions.
- If the Rig becomes damaged in any way, stop using it immediately and contact Asetek support or the reseller from whom you bought it.
- Operating environment:
 - 0°C – 40°C room temperature, non-condensing humidity
 - Indoor use only

3. Getting Started

3.1 Assembly instructions

When first assembling you Initium 2 in 1 cockpit, you'll have the option of choosing between a GT and a Formula configuration.

5. De-commissioning & Sustainability

At Asetek we are fiercely committed to making the world a sustainable place. You can read more about Asetek's sustainability efforts, including our sustainability reports, here: www.asetek.com/company/sustainability

This symbol indicates that this product should not be thrown away with other household waste throughout the EU. To prevent possible harm to the environment or human health by uncontrolled waste disposal, you are responsible for recycling it so that it can promote the sustainable reuse of raw materials. To return your used product, you can use the regular return and collection systems.

5.1 Packaging

All packaging is made of paper and cardboard. All our cardboard and paper products are labeled with the FSC mark, ensuring maximum reusability and that the forests are sustainably forested. Furthermore, we regularly check our vendors to make sure they are upholding their commitments. About FSC: www.fsc.org/en/fsc-labels

If you need to dispose of your packaging, please use the appropriate paper waste stream in your country, to dispose of the packaging. Naturally, we hope you want to keep it around – we are quite proud of it

5.2 Product

If you feel uncertain about how to recycle any Asetek SimSports® or Asetek Racing™ product, we suggest getting in touch with our dedicated customer support team, who will happily help you.
