

Congratulations on your new Asetek Racing™ Initium™ Compact Race Seat

This manual is written for the end-user of the Asetek Racing™ Initium™ Compact Race Seat and contains all the information required to correctly and safely assemble and use your new product.

WARNING:

- Choking Hazard – Small parts. Not for children under 3 years.
- Some of the parts are heavy; proceed with caution.
- Do not use power tools to assemble the seat to avoid damaging the parts or overtightening the screws.
- Assembly of the seat is allowed only by an instructed person who understands and follows the above safety instructions.
- If the seat becomes damaged in any way, stop using it immediately and contact Asetek support or the reseller from whom you bought it.
- Operating environment:
 - 0°C – 40°C room temperature, non-condensing humidity
 - Indoor use only

Warranty

Asetek SimSports® offers 24 Month warranty on all products.

Packaging

All packaging is made of paper and cardboard. All our cardboard and paper products are labeled with the FSC mark, ensuring maximum reusability and that the forests are sustainably forested. Furthermore, we regularly check our vendors to make sure they are upholding their commitments.

About FSC: www.fsc.org/en/fsc-labels

If you need to dispose of your packaging, please use the appropriate paper waste stream in your country, to dispose of the packaging. Naturally, we hope you want to keep it around – we are quite proud of it.

Product

If you feel uncertain about how to recycle any Asetek SimSports® or Asetek Racing™ product, we suggest getting in touch with our dedicated customer support team, who will happily help you.
