

Product Name: 3rd Party QR Adapter Plate

Product Code: 40-035-0035032

FORTE™

**Congratulations on your new
Asetek Racing™ 3rd Party QR Adapter Plate**

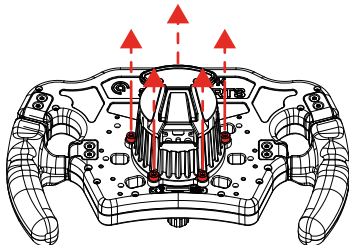

Scan the QR code above to view the instruction video for this product.

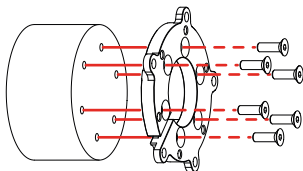

NOTICE

To protect your wheel, place the front on a soft surface while working.

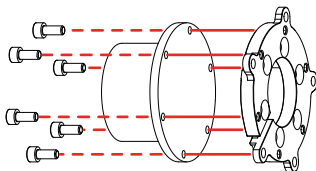

1. Unmount the Asetek SimSports® Quick release adapter using the 5 highlighted screws and disconnect the USB-C cable

2. Mount your 3rd party quick release to the adapter plate

50mm hole pattern

70mm hole pattern

3. Connect the coiled USB-C cable to the wheel. Use the cable clip on the PCB and a zip tie to relieve the strain on the cable. Mount the adapter plate to the wheel in the direction shown here:
